# TRANSFER SOLUTIONS FOR YOUR BUSINESS

It has never been easier to customize textiles and hard surfaces with a CMYK or monochrome laser printer.

Throughout the years, FOREVER has solved many of the transfer problems associated with the personalization of various textiles and hard surfaces.

With FOREVER digital transfer solutions at your disposal, your business will only prosper and grow. You will never turn another customer away empty-handed.

We have developed products for both light and dark cotton to polyester, leather, silk, mugs, glass, mirrors and much more.

Laser-Transparent (No Background) is ideal for printing colorful detailed vector designs on to white and light textiles - without a background.

This self-weeding transfer solution, you can finish white and light-colored textiles, made from cotton and mixed fabrics. Due to its soft, textile feel and the fact that no background is transferred, the prints have a particularly high-quality effect.
