About Digital Star

Source Of Digital Solutions

Welcome to Digital Star, your trusted partner in the world of cutting-edge printing solutions. As a leading printing machines, materials, and ink authorized dealer in Riyadh – Saudi Arabia (KSA), we pride ourselves on delivering state-of-the-art technology that empowers to achieve unparalleled levels of efficiency and quality.

At Digital Star, we understand the pivotal role that printing machinery plays in the success of your operations. With a commitment to innovation and excellence, we curate a diverse range of top-tier printing machines to meet the unique needs of our clients. Our product line-up reflects the latest advancements in the industry.

As a responsible printing machines supplier, we prioritize sustainability. Our commitment to eco-friendly practices is reflected in the products we offer, promoting energy efficiency and environmentally conscious manufacturing processes. When you choose Digital Star, you're not just investing in cutting-edge technology – you're partnering with a company that values the planet as much as your success.

GENERAL INFORMATION AND HIGHLIGHTS

MTX-DS15 (38X38cm) Pneumatic Heat Press Machine by Microtec, a professional-grade double base plate heat transfer press designed for precision and accuracy. With its two workstations, this heat press provides an exceptionally generous working area, facilitating comfortable positioning of transfer objects.

KEY FEATURES OF THE APDS PNEUMATIC HEAT PRESS:

COMPACT SIZE WITH DUAL WORKING STATIONS:

A perfect choice for those seeking a small-sized heat press with high pressure and the convenience of two working stations.

VERSATILE APPLICATIONS:

Ideal for transferring Toner paper, HD metal prints, photo slates, and more, offering versatility in applications.

SMOOTH MOVEMENT OF HEATING PLATE HEAD:

The heating plate head smoothly moves from one side to the other, enhancing operational efficiency.

QUICK CHANGE OF SPARE PARTS:

The sublimation heat press machine is designed for ease of use, allowing for quick and hassle-free changes of spare parts.

MATRIX-TEX TOP-RATED PNEUMATIC HEAT PRESS MACHINE

- Double Location Work Table
- Pneumatic, High Pressure
