About Digital Star

Source Of Digital Solutions

Welcome to Digital Star, your trusted partner in the world of cutting-edge printing solutions. As a leading printing machines, materials, and ink authorized dealer in The Kingdom of Saudi Arabia, we pride ourselves on delivering state-of-the-art technology that empowers to achieve unparalleled levels of efficiency and quality.

At Digital Star, we understand the pivotal role that printing machinery plays in the success of your operations. With a commitment to innovation and excellence, we curate a diverse range of top-tier printing machines to meet the unique needs of our clients. Our product line-up reflects the latest advancements in the industry.

As a responsible printing machines supplier, we prioritize sustainability. Our commitment to eco-friendly practices is reflected in the products we offer, promoting energy efficiency and environmentally conscious manufacturing processes. When you choose Digital Star, you're not just investing in cutting-edge technology – you're partnering with a company that values the planet as much as your success.

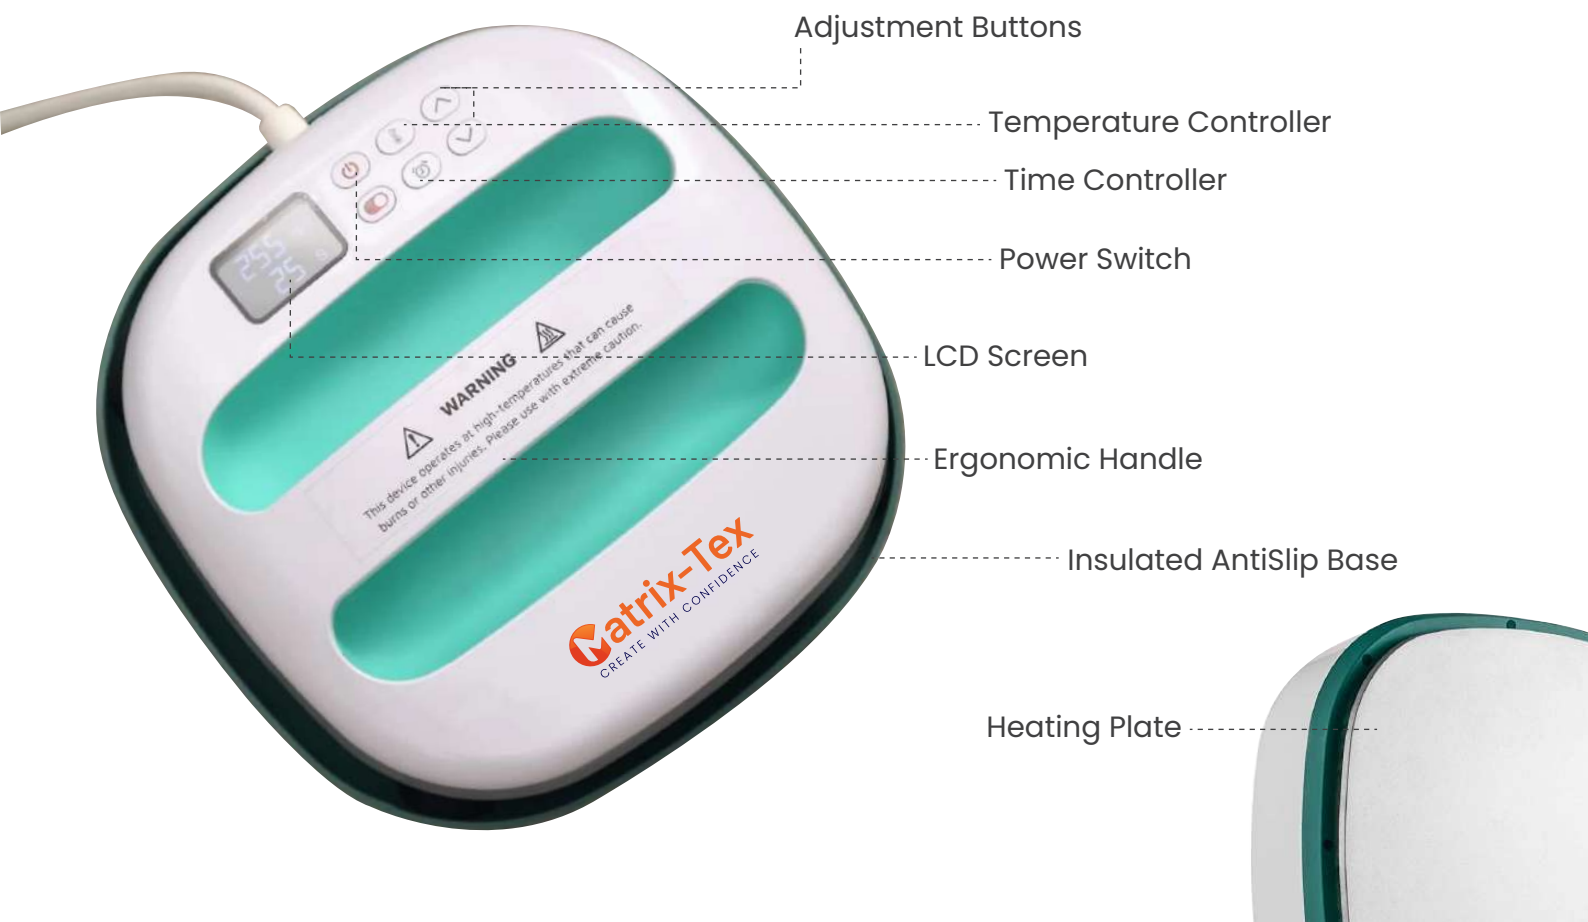

GENERAL INFORMATION AND HIGHLIGHTS

MTX-MINI 9"x9" small heat press machine is an ideal choice for home use and DIY workshops. Due to its small size, it is lightweight and easy to carry and operate. It is suitable for ironing T-shirts, tote bags, pillows, aprons and more.

This 9" x 9" mini heat press features a digital LED display with temperature and time setting. It heats up quickly and is durable. Equipped with an insulated safety base and an auto shut-off feature to make every heat transfer project a safe and worry-free experience.

The mini heat press machine can be used in small businesses such as craft shops, boutiques, gift shops, etc.

Enjoy the fun of crafting with the heat press and make unique and interesting gifts with your brilliant ideas.

APPLICATIONS

This mini heat press is ideal for pressing T-Shirts, Tote Bags, Pillows, Aprons and More.
